

Dual Multi-Press

The Nautilus Instinct Dual Multi-Press targets the chest, shoulders, and triceps with three classic pressing variations—flat, incline, and overhead—all in one compact machine. Ideal for developing upper body strength and muscular balance, this multi-function unit supports efficient training progression through smooth, biomechanically sound movement. With quick-adjust settings and a space-saving footprint, it's the perfect fit for light commercial environments seeking versatility without compromising floor space.
