

SCHWINN

SC5 7410

Designed for an excellent indoor ride, our whisper quiet Smooth Cycling series allows riders to channel their attention to the experience within the studio. These bikes combine user-focused features, best-in-class biomechanics and plenty of adjustment options to deliver the optimal bike fit for riders of all shapes, sizes and abilities. The SC5 features a durable steel frame.

POLYV BELT DRIVE SYSTEM

The POLYV BELT creates a whisper quiet and smooth ride and has the strength to withstand the inertia of the perimeter weighted flywheel.

THE POWER OF METRICS

Add a variety of basic rider feedback tools — time, distance, calories and RPM — to your ride with the Cadence Pro. This console brings motivation and measurement to the group cycling studio with a compact display that is easy to use and easy to read, making a great bike even better.
