

STABILITY BALL

TD-STB-55t

TD-STB-65

The stability ball is made of thick and durable PVC material. The material is eco-friendly, latex-free and non-toxic. The ball is available in 55 cm (22") and 65 cm (25.5") sizes. Material color is silver. Each ball comes with a plug, plug tool, and pump.

USE

Stability ball is used for various stretching and functional strength exercises. The ball can support up to 400 lbs.

CARE

Clean surfaces with a neutral pH cleaner. Avoid contact with rigid or sharp edges or abrasive surfaces. Store in a dry environment. Inspect before use to ensure there is no damage.

COREHEALTHANDFITNESS.COM

Core Health & Fitness is more than gym equipment, we offer innovative solutions for all your facility needs. This is why we've brought together five of the most recognizable fitness brands to ensure our customers can offer their members authentic fitness experiences. Whether working with us directly or through our partners and distributors worldwide, we provide the highest quality equipment backed by a service and support team that will always go the extra mile to get you what you need, when you need it. Partner with us and see how our Core Values motivate our every decision.
